RW-HMT-BAT	<b>HMT-1 spare battery, 3250mAh., 3,7 Volt/12,025 Watt Li-Ion battery</b>	The Spare Battery is an extra 3250mAh lithium ion battery for the HMT-1. Batteries can be swapped in the field to extend operating time and minimize downtime. Extra batteries are also needed to cover any extra shifts. Extra batteries also minimize downtime in case a battery is ever misplaced or left uncharged.	 <small>AYES HMT-1</small>
RW-HMT-6BAT	<b>6x spare battery HMT-1 as Set</b>	The Spare Battery is an extra 3250mAh lithium ion battery for the HMT-1. Batteries can be swapped in the field to extend operating time and minimize downtime. Extra batteries are also needed to cover any extra shifts. Extra batteries also minimize downtime in case a battery is ever misplaced or left uncharged.	 <small>AYES HMT-1</small>
RW-HMT-6CH	<b>Battery charger for 6 RW-HMT-BAT with power-supply and cable</b>	The Multi-Charger simultaneously charges 6 HMT-1 batteries. Multi-chargers are needed to keep extra batteries charged. They ensure fully charged batteries are available at the start of each shift. They are also necessary if it is not possible or practical to plug multiple HMT-1s into multiple USB cables and power outlets. Multi-chargers conveniently display the charge level of each battery on a high visibility backlit display, so battery levels can be determined at a glance. Each Multi-Charger ships with all 5 regional power adapters. Shown with batteries, not included.	 <small>AYES HMT-1</small>
RW-HMT-BATC	<b>Battery Cap for HMT-1</b>	Replacement battery cap for HMT-1.	 <small>AYES HMT-1</small>
RW-HMT-CSEM	<b>Semi rigid carrying case for HMT-1</b>	The Semi Rigid Carrying Case is an EVA molded case with zip closure for storing an HMT-1 or HMT-1Z1 and accessories. Whether transporting or storing, it provides protection from the elements and from daily wear and tear. Shown with HMT-1, not included.	 <small>AYES HMT-1</small>
RW-HMT-CSOF	<b>Soft carrying pouch for HMT-1</b>	For HMT-1 and HMT-1Z1. Compatible with the HMT-1Z1 but not Intrinsically Safe. Can be used with the HMT-1Z1 outside of hazardous locations. The Soft Pouch Carrying Case is a fabric bag with drawstring closure for storing an HMT-1 or HMT-1Z1 and accessories. Whether transporting or storing, it provides protection from the elements and from daily wear and tear.	 <small>AYES HMT-1 AYES HMT-1Z1</small>

RW-HMT-WB	<b>Workband (HMT-1 Premium Design Mounting Option)</b>	<p>Our RealWear Workband is purpose-built for all day, comfortable HMT-1 or HMT-1Z1 use. The Workband is designed for the Firstline Connected Worker in auto service industries, warehouses, hospitals and other firstline industries where hard hats are not mandatory. Its wide forehead area creates the perfect amount of surface area for outstanding device stability. It is lightweight, washable, and clippable.</p> <p>Features and Benefits:</p> <ul style="list-style-type: none"> <li>• High quality structured headband provides secure mount</li> <li>• Adjustable Velcro back, one-size-fits-most (53cm-63cm)</li> <li>• Built in clips for easy attachment to HMT</li> <li>• Portable/packable</li> <li>• PPE friendly</li> <li>• Machine washable after removing plastic clip band</li> <li>• Accessories can be clipped onto it (ie. flashlight or camera).</li> <li>• Device also compatible with hard hat or bump cap over the work band as another potential use for those who want to quickly put on PPE or for specific other use cases.</li> </ul>
RW-HMT-BECL	<b>Belt clip for HMT-1</b>	<p>The HMT Belt Clip is the perfect accessory for when you need to hang your HMT from your belt or harness. Compatible with the specially-designed slots on most harnesses and also attaches to webbing waist belts of other harnesses. The carabiner mounts perpendicular to the belt, allowing for quick attaching and releasing your HMT when on the move.</p>
RW-HMT-CPS	<b>Camera Privacy Stickers (6-Pack) for HMT-1, Stickers for the camera with LED light outlet</b>	<p>Cameras are not authorized for use in certain environments. This new solution is a great alternative solution to our camera cover 3D reference design download. The purpose-built HMT Privacy Camera Stickers are a reflective vinyl sticker to fully cover the HMT-1 or HMT-1Z1 camera lens as required for privacy compliance. The privacy camera sticker adheres securely onto the camera lens while allowing use of the HMT's built in flashlight.</p>
RW-HMT-EARBHP	<b>Ear Bud Hearing Protection Headphone for HMT-1, 171030</b>	<p>The Ear Bud Hearing Protection Headphones play audio from the HMT-1 and HMT-1Z1, and provides hearing protection from high noise environments. They have replaceable foam tips made of premium memory foam, and are 33dB NRR (Noise Reduction Rated). They also provide privacy for any audio coming from the HMT-1 and HMT-1Z1, and provide an optimal experience when using remote video applications. The headphones are designed with a custom cable length and right angle connector optimized for use with the HMT-1 and HMT-1Z1. Each headphone comes with a pair of medium foam tips; other sizes are available separately.</p>

RW-HMT-FBKEY	<b>Folding Bluetooth Keyboard and Touchpad for HMT-1</b>	<p>This handy folding wireless keyboard and trackpad has been tested by RealWear for the HMT-1. The wireless keyboard and trackpad helps eliminate the need for bringing along your tablet or clipboard into the field to enter a larger amount of text or data. After the initial pairing process is complete, simply unfold the keyboard and it will pair automatically. Also, a mouse cursor appears like it would with a handheld Android tablet. A carrying bag and USB charging cable is included.</p> <p>The Folding Bluetooth Keyboard &amp; Trackpad is recommended for:</p> <ul style="list-style-type: none"> <li>• Field Operators and Field Engineers required to input or log lengthy field notes or conversations</li> <li>• Where select and drag mouse/cursor functionality is needed</li> <li>• Sensitive environments where speaking out loud would be inappropriate</li> </ul> <p>Technical Features:</p> <ul style="list-style-type: none"> <li>• Durable aluminum body</li> <li>• Portable form factor, keys are only 90% of any standard keys</li> <li>• Pocket Size, similar size to the iPhone X Plus</li> <li>• Lightweight, only 200 grams</li> <li>• 60 hours working time and 90 days standby time</li> <li>• Connects up to 3 devices</li> </ul>
RW-HMT-IPA	<b>International Power Adapter for HMT-1, for charging up to 6 HMTs simultaneously (4USB + 1 USB C ports + AC socket).</b>	<p>The International Power Adapter is the ultimate accessory for charging up to 6 HMTs simultaneously (4USB + 1 USB C ports + AC socket ). Extra cables are needed if there are multiple locations where HMT-1s and HMT-1Z1s will be charged (eg. office, workstation, tool crib, service vehicle). They also minimize downtime in case a charger is ever misplaced or you only have one power outlet.</p>
RW-HMT-UCAB	<b>USB Cable with Charging Protection for HMT-1</b>	<p>The USB Cable with Charging Protection for HMT-1Z1 is an extra Micro-USB cable for data transfer and charging. The cable includes a safety box that protects the HMT-1Z1's safety circuits from power surges. These surges can damage the HMT-1Z1 and may occur when connecting the HMT1-Z1 to computers, wall chargers, car chargers, and other power sources. It is the only cable approved for charging the HMT-1Z1 and for moving files to and from the HMT-1Z1.</p>
RW-HMT-NGxx	<b>Power-adapter</b>	<p>Select the correct region:</p> <p>Power-adapter EU (RW-HMT-NGEU)          Power-adapter Asia (RW-HMT-NGAS)          Power-adapter UK (RW-HMT-NGUK)          Power-adapter CCC (RW-HMT-NGCC)          Power-adapter USA (RW-HMT-NGUS)</p>
